Aim of policy

This Equality Policy for Alcester Academy brings together policies for Race, Gender and Disability equality, meeting the current statutory duties in these areas. However, it goes far beyond these strands to include sexual orientation, religion or belief, gender reassignment and every aspect which has the potential to discriminate against or to devalue any individuals within our community such as against those with special educational needs or potential language barriers. We are committed to the elimination of all forms of unfair discrimination, victimisation or harassment and aim to promote equality for pupils/students, staff and others who use Academy facilities.

Aims:

- To respond positively to the additional needs of all pupils and staff and recognise all learners are of equal value.
- To promote the development of every individual and consult them at regular stages of their learning
- To ensure that all students and staff are encouraged, and able to achieve their full potential
- To prevent any form of unfair treatment for any member of the Academy community; to include admissions, provision of education, access to any benefit, support service or facility and exclusions.
- To eliminate discrimination, harassment and any barriers to these.
- To establish an Academy community within which everyone is regarded as of equal value and enjoys mutual respect.
- To promote equality of access within our Academy and within our wider community.
- To promote positive attitudes to difference and good relationships between people with different backgrounds, genders, cultures, faiths, abilities, individual needs and ethnic origins, sexual orientation; the Academy recognises, welcomes and respects diversity.
- To prepare pupils for full citizenship of the global community based on the values of tolerance and mutual respect.
- To provide as wide a range of educational experiences as possible.
